We Are...

A program designed to embrace ideals of responsibility and respect of all and train young men to be examples of **what it means to be a leader**.

Through education and social activities in the formation of our youth, individuals develop skills to become leaders in their communities and future high school.

Students who come to the Fr. Troike Leadership Program are challenged to become **leaders of both, the present and the future**, in their schools, church, and community.

Students are invited to recognize that **true leadership** comes from being a **true follower of Christ**.

Our Counselors are Cathedral Prep students who become **mentors** and **Big Brothers** to our summer participants.

In the morning, students take classes to prepare them for the **challenges** of High School.

In the afternoon, students learn **leadership skills** by participating in an array of sports and activities, including Basketball and Softball.
