What makes St. Clare different?

St. Clare Catholic Academy is a hallmark of Catholic education. Our school boasts 70 years of providing academic excellence in curriculum and instruction as well as preparing students for high school and life. Our school family fosters an environment for students to develop the ability to think critically, communicate effectively, expand their creativity, and embrace their Catholic Faith and traditions.

St. Clare Catholic Academy provides students with a rigorous curriculum that includes: Language Arts (English, Grammar and Composition, Phonics, Reading, Vocabulary, Spelling and Writing), Math, Science, Social Studies, Health Wellness, Physical Education, STEAM, and Technology Application.

Early Childhood 3K and Pre-K

St. Clare has a free for all Pre-K Program that teaches students to develop their motor skills, creativity, social skills, and beyond. This develops a strong foundation for students to succeed in Kindergarten.

Our students in early childhood engage in pickle ball, golf, dance and YOGA.

Middle School

As we continue to develop and expand our academic programs, in the 2025-2026 school year, students will be eligible to participate in community service activities and new technology programs. These classes will prepare our students for high school life. They will be technologically savvy and well-prepared academically for high school.

Extra-Curricular Activities

St. Clare Catholic Academy's enriching Afterschool Program includes something for everyone. The Program is designed for all ages and abilities, and students have the ability to select and sign-up for their preferred activities.

Whether you would like to learn how to golf, play tennis, basketball, pickle ball, design clothes in our fashion program, or be a cheerleader, Lego Building and Choir we have the program for you. Including:
