Fall 2025

Dear prospective parents and students,

Thank you for considering a Catholic High School.

Our Catholic High Schools continue to offer a first-rate education to people of many faiths and traditions. They are rooted in the faith, hope and love of our Catholic tradition. To fully explain this,

- I could speak, at great length, about the robust curriculum, STEM opportunities, Advance Placement, and other College level courses - not to mention our excellent College placement results
- How about the thousands and thousands of successful folks who have graduated from our schools and made a difference in every walk of life?
- It would be easy to invite you to look at the athletic opportunities in which our young women and men compete throughout the year.
- I have not begun to mention the opportunities our students have in music, theater, speech and debate, and almost limitless clubs.
- And of course, I could brag about the hundreds of millions of dollars our seniors generate in college scholarships each year?

But as important as all those things are, the excellence of our schools is held together by our Catholic faith: Sacraments, Scripture, Tradition, and good works. This is the heart and soul of our school communities. Our schools are places of invitation and support for all who enter our doors.

My new friends – I know how stressful this decision is, however, the good news is you cannot make a wrong decision. I promise you, when you attend any of the High Schools in our Brooklyn Diocese, it will make a positive difference that will echo throughout your life, and even change the world!

Please take your time, do your homework, and fill out the application.

May the Lord grant you the eyes to see, the ears to hear, and the heart to believe in the Grace that abounds.

Be assured that all our eighth graders and their families are in my prayers.

Sincerely,

Dcn Kevin McCormack

Superintendent of Schools for the Diocese of Brooklyn

OUR MISSION

Archbishop Molloy High School is a Catholic Marist School which fosters an exemplary education in mind, body, and spirit for a diverse college bound population. At Molloy, individuals recognize their self-worth and develop a lifetime of Christian values, critical thinking, leadership skills, and service to others. Molloy has been recognized by *U.S. News & World Report* as an Outstanding American High School and was named an Exemplary Secondary School by the U.S. Department of Education.

ACADEMICS

Molloy offers a rigorous academic program that thoroughly prepares students for life. The curriculum includes a full range of Regents, honors, college, and Advanced Placement (AP) courses. Molloy currently has 24 AP courses available. Faculty and peer tutors are available before and after school to consult with students seeking additional help.

Administrators consistently evaluate and update our curriculum to best serve the needs and interests of today's students. Recent popular additions include Virtual Enterprise International, Amazon Future Engineer, Video Broadcasting, Robotics, and the AP Capstone Program.

EXTRACURRICULAR ACTIVITIES

Generations of exceptional student-athletes have called Molloy home. We offer 46 team sports for boys and girls, including 20 at the varsity level. Molloy also offers over 60 clubs and activities for students to explore their interests and identify their passions beyond the classroom. These opportunities range from school publications (yearbook, newspaper) to Computer Science (STEAM, Robotics), Fine Arts (Art Club, Photography Club, Stanner Players/Theater), and many cultural clubs.

FACILITIES

Molloy continues to evolve its six-acre campus to meet the needs of today's students. Facilities include a two-story Innovation Center (Computer Science & Engineering), library and research center, three science labs, video broadcasting studio, theater, two gymnasiums, cafeteria, chapel, dance studio, IT center, and guidance suites. Our all-weather outdoor track, baseball field, and strength and conditioning center serve our talented student-athletes. Molloy is also a hub for technology, including a one-to-one computing program. All 57 classrooms feature the latest SMART Board technology, and Apple TV.

CAMPUS MINISTRY & SERVICE

Campus Ministry at Molloy helps students to connect with God, grow as individuals, and enact their faith in meaningful ways. Through Campus Ministry, Molloy students form a strong sense of community while learning how they can live out the charism of the Marist Brothers.

- **Service**
 - One of the pillars of a Catholic Marist education is learning the importance of serving others, especially those most in need.
 - Molloy students volunteer at local food pantries and the Ronald McDonald House, organize donation drives, and much more.

- Molloy students collectively completed over 17,000 hours of service in our local community during the 2024-25 school year.
- **Retreats**
 - Molloy offers a 4-year retreat program that includes weekend retreats at the Marist Brothers' Center at Esopus (Esopus, NY) as well as after school retreats that welcome various clubs and teams.
 - Our retreat program is designed to help students grow in community and faith.
- **Pilgrimages and Service Trips**
 - National Catholic Youth Conference (Long Beach, California and Indianapolis, Indiana)
 - World Youth Day in Korea (2027)
 - Assistance to families with Give Kids the World (Kissimmee, Florida)
 - Ecology Mission Trip to Belize
 - Mission Trip to Dominican Republic
 - Kentucky Cultural Immersion (Jackson, Kentucky)

ADMISSIONS

Admission to Archbishop Molloy High School is competitive. Candidates must submit 6th, 7th, and 8th grade marks and standardized/NYS test scores (if taken). Applicants must also take the Test for Admission into Catholic High School (TACHS), which will take place virtually on Saturday, November 8, 2025. Enroll for the exam at www.tachsinfo.com. | TACHS code: 012. Merit Scholarships are available and subsequently awarded to students who score very well on the TACHS and earn marks in the 90s in 6th, 7th, and 8th grades. Additionally, students may be eligible to earn a Named Scholarship by submitting a Named Scholarship Application. Visit www.molloyhs.org/scholarships for more information.

FRESHMAN CAMP

Incoming freshmen have the opportunity to spend one week in July at the Marist Brothers' Center at Esopus. At Freshman Camp, Molloy's rising 9th graders play games, attend Mass, and enjoy opportunities to make friends and meet teachers before the start of school in September.

GUIDANCE & COUNSELING

Molloy's Guidance Department supports students as they grow emotionally, socially, and academically. Our certified guidance counselors support students as they advance through high school and prepare them for life. Our college counselors advise students in selecting, gaining admission to, and receiving scholarships from outstanding colleges and universities worldwide.

OUR MOTTO

Non scholae sed vitae - Not for school but for life. Through the education of the whole person, Molloy students are prepared to lead lives of purpose and service to those most in need. Our students also share a bond with one another that stays with them throughout their lives as alumni.

Loughlin... Enter to Learn, Leave to Serve

Loughlin is a co-educational, college preparatory, Catholic high school located in beautiful Ft. Greene, Brooklyn. Established in 1851, with a long and proud history. Our vibrant campus is home to one of the finest STEM programs in New York City, a renowned music program, and one of the most decorated athletic programs in the country. We are a school in “growth mode”. Loughlin has world-class facilities, including new labs for Engineering, Biomedical Science, and Computer Science programs, a state-of-the-art Performing Arts Center and recording music studio, Fine Arts Studio, Track & Field, Campus Ministry suite, and Track and Field renovations, including our new turf field installed in 2025.

AN OPPORTUNITY GATEWAY

- A 99% graduation rate and a 97% College matriculation rate.
- We proudly boast college acceptances that run from highly selective colleges and universities to quality community colleges.
- Millions of dollars in college scholarships are awarded each year – the majority of our seniors receive a scholarship offers.

ACADEMICS

- A cutting edge, learning environment with iPads for every student. Each classroom is equipped with a smart board and accompanying Apple TV.
- We are committed to innovation and have established **PLTW@ Loughlin**. *Project Lead The Way* is the leading STEM education program in the country with over 200 students participating in a variety of Engineering and Biomedical Science courses.
- **Advanced Placement courses** in: Calculus, English, Music, Physics, Spanish, US History, and World History. A 52% increase in students taking AP exams over the past four years with more students earning college credits.
- **Tutoring and Homework Help Center** – This unique program is offered during the day as well as after-school for students at all skill levels.

VALUE-BASED EDUCATION

- Education with a higher purpose through *The Whole Child Approach*: Faith and Spiritual Growth, Leadership, Character, Academic, and Athletic development.

ATHLETIC EXCELLENCE, PERFORMING ARTS AND ACTIVITIES

- We proudly offer many sports programs for both girls and boys, featuring 16 different sports, including our newest varsity offerings: soccer, bowling, and lacrosse.
- More than 50% of all students are involved in our acclaimed **Performing Arts** program.
- 33% of all students play an instrument. More than 90% of all students who play an instrument have had no experience prior to Loughlin. Also, 90% who play are on the honor roll.

CENTRAL BROOKLYN LOCATION

- Safe and vibrant **Ft. Greene/Clinton Hill neighborhood** with outstanding transportation options: A, C, E, and G subway stops, Line B bus stops, Atlantic Terminal - B/Q/2/3/4/5, D/N/R and LIRR trains. **Within blocks** of Fort Greene Park, St. Joseph's College, Barclays Center, Morris Dance Company, St. Francis College, MoCADA (Museum of Contemporary African Diasporan Arts), Brooklyn Academy of Music (BAM), Emmanuel Baptist Church, LIU Brooklyn, and Pratt Institute.

THE LOUGHLIN FAMILY

- Loughlin is a **diverse community**. We welcome families of all races and beliefs to become students, faculty and staff at our school. Our students and families represent more than 30 nationalities.
- **Parents are welcome to join our community** where we all strive to provide the best path to a successful career and an enriched Loughlin experience for all our students.
- As a result, our students are prepared to succeed in college. At Loughlin, they will be equipped with strong character, 21st Century leadership capabilities, exposure to rigorous and engaging coursework - AP and Honors courses; first-class Science, Technology, Engineering & Math (STEM) programs and access to state-of-the-art Technology. The future is theirs!

Sunday, October, 27th 2024 - 11:30am - 2pm with Mass offered at 11:00 a.m

Cathedral Preparatory School and Seminary is a Roman Catholic, college preparatory educational community under the auspices of the Diocese of Brooklyn. As a high school, Cathedral forms the mind in ways of academic excellence through a personalized, superior education where growth in maturity and grace are encouraged and fostered. Through a program of individualized instruction and support, students are challenged to achieve academic greatness. As a seminary, Cathedral affirms the uniqueness and dignity of an individual vocation, specifically providing an environment for a young man to discern a vocation to the diocesan priesthood, while forming all students to become strong and dedicated leaders in the Church and the world by the development of heroic virtue and belief.

FORMING MEN FOR GREATNESS IN THE WAYS OF . . . STRONG CATHOLIC IDENTITY

- Our priority is forming men to know and love Jesus
- Daily Mass and weekly Eucharistic Adoration are at the core of the school's schedule
- Our students are taught about all vocations, including priesthood and marriage - all are formed to be Christian leaders

PERSONALIZED EDUCATION

- Cathedral Prep is a small, all male high school offering a highly personalized, one-on-one education
- A selective admission process yields approximately 40-50 new students per year
- Our teachers create an intimate learning atmosphere in which they adapt to the various learning styles of students

ACADEMIC RIGOR

- At Cathedral Prep, exceptional students are challenged to meet their full potentials
- Greatness is expected from every student

- Course offerings include a full battery of Advanced Placement classes including World History, US History, and English Literature
- Through a partnership with St. John's University, students have the opportunity to graduate with up to 21 college credits
- One third of students receive scholarships and tuition assistance

EXTRACURRICULAR & INTERSCHOLASTIC OPPORTUNITIES

- Through physical activity and healthy competition, students grow stronger in mind and body while developing the qualities of leadership and sportsmanship
- Our interscholastic program includes: Baseball, Basketball, Bowling, Cross Country, Track and Field, Forensics (Speech and Debate), and Soccer

FRIENDSHIPS FOR LIFE

- One of Cathedral's greatest strengths is a spirit of unrivaled fraternity and acceptance among the students
- Every student belongs to a fraternity led by a faculty mentor who provides the foundation for student support, competition, and brotherhood

SUCCESSFUL ALUMNI

- Cathedral Prep has a 100% graduation and college acceptance rate with students going on to enroll at West Point, Harvard, University of Pennsylvania, NYU, St. John's University, and dozens of other top notch universities
- Every academic year, our small graduating classes consistently earn at least 8.2 million dollars in scholarship offers
- Alumni have a strong presence at Cathedral; the entire administration and about one third of the faculty are graduates. We have a century of tradition that is being passed on from teacher to student!

Christ the King High School is a private co-educational Catholic High School with a 4-year college preparatory curriculum. Our mission is to create an atmosphere in which all members of the faculty, staff and student body can attain a high level of achievement based upon recognition of their own unique abilities and their relationship with God. Our student body is challenged to grow academically, spiritually, socially and physically to meet the demands of a changing world. Through the collaborative efforts of the Christ the King Community, we empower our students to become independent thinkers and moral leaders.

MISSION

Cristo Rey Brooklyn is a Catholic high school partnering with families of all creeds to educate deserving young people from underserved communities to become men and women of faith, purpose and service. By integrating a rigorous curriculum, a unique work-study experience and the support of an inclusive school community, we enable students to succeed in college and beyond with the values essential to a fulfilling life.

Cristo Rey Brooklyn is one of 40 college prep high schools in the nationally recognized Cristo Rey Network.

COLLEGE PREPARATORY PROGRAM

Our rigorous college prep curriculum is designed with the expectation that all students will enroll, and succeed, in college. 100% of graduating seniors earn at least one acceptance to a four-year college with full financial need met. Most receive multiple acceptances.

- Accredited by the New York State Association of Independent Schools
- Full member of the Cristo Rey National Network of Secondary Schools
- Multiple Honors and Advanced Placement (7) Courses offered
- Comprehensive College Counseling Program:
 - Individualized support
 - College tours & workshops
 - 1 to 1 scholarship & financial aid assistance
 - Summer enrichment & immersion programs
 - SAT Prep
- Over 70 College and University Partners, national and local, ranging from Boston College to Fordham University to Notre Dame
- Academic enrichment and support
- Summer Training Program for new students and Summer Institute for current students

- Office and Workplace skills
- Business training
- 14:1 Student teacher ratio
- Average class size: 20 – 25
- 11 Interscholastic athletic sports teams offered and numerous clubs, activities and extracurricular programs

CORPORATE WORK STUDY PROGRAM:

The unique Cristo Rey Brooklyn Corporate Work Study program enables students to earn up to 50% of the cost of their education by working at leading corporations and non-profit organizations. Students are employed one day per week in entry-level positions and acquire important job-related skills, gain exposure to potential career options, develop a strong work ethic and build self-confidence.

ACADEMIC/SPECIAL PROGRAMS

- **AP Courses Offered in All Disciplines:** comprehensive range of Advanced Placement (AP) courses across all disciplines, including humanities, sciences, mathematics, and arts.
- **AP Capstone Program:** We offer the prestigious AP Capstone Program, which includes two innovative courses—AP Seminar and AP Research. This program helps students develop critical thinking, research, collaboration, and presentation skills that are essential for college and career success.
- **FIRST All-Girls Robotics Team in State-of-the-Art STEAM Lab:** Our school boasts an all-girl robotics team that competes in various competitions, working in a cutting-edge STEAM (Science, Technology, Engineering, Arts, and Mathematics) lab.
- **State-of-the-Art Science Lab and AP Science Courses:** state-of-the-art science lab equipped with the latest technology and resources, allowing students to conduct advanced experiments and research. AP Science courses, including AP Biology, AP Chemistry, and AP Physics, and AP Environmental designed to prepare students for higher education and careers in science and technology.
- **Biomedical Science Track:** Fontbonne's Biomedical Track offers students a dynamic, hands-on introduction to medical and health sciences through advanced coursework, labs, and real-world applications.
- **College Bridge (Earn Up to 35 College Credits):** Fontbonne's College Bridge Program offers students the opportunity to earn up to 35 college credits while still in high school. Through partnerships with respected institutions such as St. Francis College, St. Joseph's University, St. John's University, and Creighton University, students can take college-level courses right on our campus. The program features 10 course offerings, including Chemistry, Child Development, Anatomy & Physiology, and more.
- **Choral Scholars Program, Tri-M Music Honor Society:** Choral Scholars Program provides students with exceptional vocal training and performance opportunities. Home to a chapter of the Tri-M Music Honor Society, recognizing students' academic and musical achievements and promoting leadership and service through music.

- **National Honor Society, Rho Kappa National Social Studies Honor Society:** We are proud to have chapters of both the National Honor Society and the Rho Kappa National Social Studies Honor Society.

Sponsored by the Congregation of Holy Cross (founders of the University of Notre Dame), Holy Cross High School is a catholic high school in Queens, committed to providing rigorous academic programs within the context of Gospel values. Our talented, professional staff is dedicated to fostering a personalized learning experience focused on educating the heart and mind of each individual student in a safe environment.

FACILITIES

- Brand new 11,000 square foot Arts, Technology, and Athletics Center (ATAC), which includes a new dance studio, a second robotics lab, a third fine art studio, a state-of-the-art computer lab, and a full fitness center.
- Recently renovated Library, including a new Media Center, which includes a Maker Space for independent and collaborative student projects
- Brand new Biology Lab
- Updated student cafeteria with all-new furniture and senior lounge

ACADEMICS

- 13:1 student-to-teacher ratio
- Average class size of 25 students
- State-of-the-art, 73" Wi-Fi-enabled SMART boards in every classroom
- 100% graduation rate
- 26 AP courses offered
- Over 60 elective courses offered tailored to student interests including robotics, architecture, engineering, and business
- Fine Arts and Music electives open to all incoming freshmen
- 85% of graduates in the Class of 2025 received college scholarships, worth over \$68,000,000

SPECIAL PROGRAMS

- **Dance Program:** Brand new dance program taught by accredited faculty in our brand new facility.
- **Esports:** A new program focused on individual and team competitions.
- **STREAM Program:** Our STREAM (Science, Theology, Robotics, Engineering, Art, and Mathematics) curriculum, best prepares all of our students for future challenges.
- **Health Sciences Honors Program:** In partnership with Hofstra University, this exciting new program curriculum supports the college prerequisites for admission to Health Science programs including but not limited to Nursing, Physician's Assistant, Physical Therapy, Occupational Therapy, Nutrition, Audiology, and Speech-Language Pathology.
- **4 Levels of College Preparatory Programs:** All students pursue a minimum of a NYS Regents Diploma through one of our college prep programs, which include Honors and Advanced Placement classes.
- **1:1 Google Chromebook Program:** Every incoming student is provided with a Chromebook and full access to the Google

Workspace for Education.

- **Science Research Program:** A rigorous program offered in conjunction with the State University of New York, designed for students interested in advanced study of the sciences. Students work with experts in their respective fields and are credited in all published research.
- **SAT/ACT Prep:** Designed to help students prepare for either test and maximize their test-taking abilities. The SAT and ACT programs track student performance so students can focus on key areas of proficiency development.
- **Television Studio:** HCTV exposes students to all aspects of television production through our on-campus television production studio. Our TV post-production facilities are available as an elective course and/or a co-curricular activity.
- **Electrical Program:** As part of our STREAM initiative, this 450-hour program through our partnership with Electrical Training Center Inc., provides students with the skills needed to become licensed electricians. Upon completion of the program, students will receive a certificate of training as well as a 10-hour OSHA Outreach Training for Construction. *(The Electrical Engineering Program is not included in the annual tuition).*

SPIRITUAL

- A Holy Cross education focuses on educating the hearts and minds of young people with an emphasis on building respect, being family, and bringing hope
- Our Religious Education Program supplements classroom instruction by providing liturgies, retreat programs, and opportunities for the Sacrament of Reconciliation
- Our four-year Service Learning Program allows students to express Christian ideals and beliefs in concrete life experiences
- Our Campus Ministry Program provides students with a foundation in the Catechism of the Catholic Church
- Mass is offered on campus by our school chaplain

STUDENT LIFE

- Over 50 co-curricular clubs and student organizations
- Over 30 athletic teams in 15 different sports
- Every student has a personal guidance counselor for all 4 years

and Saturday March 28th from 11:30 AM - 2:00 pm

MISSION AND SPIRITUALITY OF NAZARETH REGIONAL HIGH SCHOOL

Nazareth Regional High School is a Catholic college preparatory high school sponsored by the Xaverian Brothers. We maintain a rigorous academic environment where students develop a life-long intellectual curiosity which empowers them to think independently in an ever-changing global community. We provide unique opportunities that develop students' spiritual, intellectual, social, emotional, and physical growth. Our scholars are prepared to be successful, contributing members of society.

We are a small school offering a maximum incoming class of 100 students, where every student is valued as an individual. We believe in a well-rounded education and understand that everyone has a different calling before God. Some of our students shine in the classroom, some on the playing field, while others save their talents for the technology lab or their extracurricular activities. While we are a Catholic school and believe in the Xaverian values of simplicity, trust, zeal, compassion, and humility we also believe that every student needs to be a part of the spiritual life of the school, regardless of how they practice their faith.

ACADEMICS

At Nazareth students receive a premium education and we work tirelessly to make sure that it is affordable for our families. We encourage our students to take AP classes and have created partnerships with St. Thomas Aquinas College as well as St. Joseph's College to offer *dual-enrollment classes* that provides the opportunity for our Juniors and Seniors to receive college credit. Yet we also offer support for students who need it, with teachers holding advisory and office hours a minimum of three days each week after school, opportunities for peer tutoring, and *an extremely successful SETTS program* that does not pull students out of their classes to receive those additional supports

to which they are entitled. We are continuing to push the boundaries of our curriculum, adding Service Learning & Social Justice, Mission-Centered Leadership, and a partially remote Honors American Government & Economics courses this past year, and adding Journalism, Hip-Hop as Literature, and Literature & Film as English electives for our upperclassmen.

CLUBS AND ATHLETICS

Nazareth believes in a well-rounded education for every student. Our athletic department boasts Varsity competition in Football, Track, Volleyball, Softball, Baseball, Cheerleading and six Basketball teams where everyone has a chance to be a part of the team. We have over 20 active clubs that vary from Chess Club, Excalibur Newspaper, Girl Scouts, and Pre-Med Club to Anime Club, E-Sports, Cooking Club and Dance Club. We have a burgeoning arts program catered to the interests of our students, with offerings in film, digital media, dance, and music production in addition to traditional art classes. Nazareth students consistently participate in the Health Science Academy in partnership with SUNY Downstate and the Arthur Ashe Institute, where they have the opportunity to receive mentorship and real-world experience working on a long-term scientific research project.

WHY CHOOSE NAZARETH?

Nazareth students invest in their community, both inside our school and outside as well. Most importantly, and what is always most striking about being a part of Nazareth, is how much our students love being here, with their teachers, with their classmates, and with their teammates, building a community we can all be proud of. Join us at our Open House on Thursday, October 2nd at 6:00pm and Saturday, March 28th from 11:30pm to 2:00pm and see for yourself why Nazareth might just be the perfect school for you.

TACHS Code #: 008

Open Houses: Thursday, October 16th from 6:30 PM - 8:30 PM
& Saturday, November 1st from 10 PM - 12 PM

St. Edmund Preparatory High School is a Roman Catholic college preparatory school for young men and women. Our mission is to instill the Gospel values in our students so as to empower them to become confident, self-disciplined, active participants in society. We educate according to the needs of each student and challenge each of them to achieve academic excellence through practical learning experiences.

At St. Edmund Preparatory High School, we foster these essential skills and qualities to ready our students for success in college and to prepare them for purposeful leadership and service in the world. This is **bold learning** — an approach that is oriented toward the active pursuit and engagement of knowledge and wisdom. St. Edmund Prep's **bold learners** are unique individuals who are risk takers looking to solve problems and make important contributions to their communities. They are **uncommon leaders**.

Open House: Saturday, October 18, 2025 - 11:00 AM- 3:00 PM

At St. John's Preparatory School, we are committed to fostering an environment that encourages intellectual curiosity, creativity, and academic excellence. Through our diverse programs and partnerships, we strive to instill in our students the confidence and determination needed to succeed in their educational journey and beyond.

ACADEMICS

- **Four-Year Honors Program:** Our comprehensive four-year Honors Program covers all academic disciplines, providing students with a solid foundation for college preparation. Small class sizes with an average of 18:1, ensure students a rich and personalized learning experience.
- **College Preparation:** With 100% college acceptance rate and 90% of students earning college scholarships, the graduates from the Class of 2023 received well over 33 million dollars in scholarships from renowned colleges and universities nationwide.
- **College Courses:** St. John's Prep offers numerous College Advantage Classes along with a wide range of AP courses allowing students to earn more than 30 college credits by the end of their senior year.
- **Exclusive Baccalaureate Program:** Through our exclusive partnership with St. John's University, we offer a Baccalaureate Program that allows students to complete high school and college education in just seven years.
- **STEAM Program:** Our rapidly expanding STEAM Program is closely linked with leading academic and research institutions in New York. This provides students with specialized training in computer science and coding, preparing them for promising careers in the tech industry.
- **Performing and Visual Arts Program:** Our innovative Performing and Visual Arts Program offers specialized workshops, theater productions, a student run Broadcast studio, and enriching afterschool programs. Taught by highly qualified teachers and professional artists and musicians, this program nurtures students' creative expression and artistic talents.

ATHLETIC AND EXTRACURRICULAR PROGRAM

- **Interscholastic Sports Program:** At St. John's Prep, we provide our athletes with a wide range of athletic opportunities that they can take great pride in. We believe that participation in sports instills qualities such as teamwork, discipline, perseverance, and

leadership, which are essential for success both on and off the field. Our student-athletes have gone on to excel at various levels of collegiate sports, earning scholarships and participating in Division I, II, and III schools. We are proud to support and celebrate their achievements as they continue their athletic journeys beyond St. John's Prep.

- **Extracurricular Programs:** Beyond academics and athletics, our students have access to an extensive array of over 50 extracurricular clubs that enrich their educational experience.

INTERNATIONAL TRAVEL PROGRAM

- **Global Exploration:** Our International Travel Program opens doors for students to embark on educational journeys that take them to various corners of the globe. These travel experiences allow them to immerse themselves in diverse cultures, gaining a deeper understanding of the world beyond their own borders.
- **Life-Changing Service Trips:** Our students can volunteer for life-changing service trips, where they can make a positive impact on communities in need around the world. These experiences foster compassion, empathy, and a sense of responsibility as global citizens.

SPIRITUAL

- **Inspiring Purposeful Lives:** Through our spiritual program, we encourage students to find purpose in their lives, fostering a deeper understanding of their personal values and beliefs. Respect for oneself and others forms the foundation of a supportive and inclusive community.
- **Core to Our Mission:** The Theology Program holds a central place in the mission of St. John's Prep. It plays a crucial role in shaping students' characters, values, and moral integrity.
- **Spiritual Growth Opportunities:** We offer various experiences for spiritual growth, including retreat days, prayer groups, school liturgies, and volunteer service opportunities. This allows students to connect with their faith, build a sense of community, and find meaning in their actions.

*St. John's Prep empowers every student
to become a confident Christian Leader.
Your future begins here!*

ACADEMICS

- A cutting edge, one-to-one learning environment with iPads for every student. Each classroom is equipped with a 75-inch LCD TV and accompanying Apple TV.
- A strong liberal arts core program, complemented by the opportunity to enter a Pre-Professional Pathway of study after their freshman year. Pathways include Biomedical Science, Computer Science, Engineering, Business & Finance, Law & Political Science, and Liberal Arts, with additional minor concentrations in areas such as marketing, national security, diplomacy, public relations, entrepreneurship, healthcare, and broadcast journalism. These pathways allow students, after their freshman year, to pursue their interests, hone their skills in specialty areas, and compete for seats in professional degree programs at the most prestigious universities in the country.
- A highly acclaimed Michael T. Strianese '74 STEM (Science, Technology, Engineering, and Math) program through partnership with Project Lead the Way (PLTW), the nation's leading provider of STEM programs.
- A STEM 100 school: 100% of freshmen take STEM courses, with students being given a choice during their freshman year to be considered for the PLTW engineering, biomedical science, or computer science track for their remaining three years.
- A unique internship program with over 65 partner organizations in the fields of architecture, engineering, journalism, law, business, medicine, dentistry, arts, culture, politics, military, and law enforcement.
- College credit opportunities through 25+ Advanced Placement, St. John's University, Syracuse University, and University of Delaware courses.

FAITH FORMATION

- Community service initiatives; all juniors are required to go on a Soup Kitchen retreat.

STUDENT LIFE

- A robust Guidance Department to provide academic, career, college and personal counseling.
- A comprehensive college counseling program resulting in placements at prestigious schools such as Princeton University, Harvard University, Cornell University, University of Pennsylvania, Brown University, Columbia University, New York University, Duke, Massachusetts Institute of Technology (MIT), University of Notre

Dame, Georgetown University, Macaulay Honors at CUNY, US Naval Academy, and US Military Academy at West Point, with the Class of 2025 earning \$136 million in scholarships.

- Opportunities to travel abroad; annual trips to Belgium, Italy, and Germany, with bi-annual music trips to Ireland or Japan. Comprehensive extracurricular program with over 50 clubs and activities that encourages our students to discover their passions and leadership skills.
- A Robotics Program that competes on both national and local levels.
- A Speech and Debate team which has won 9 consecutive Brooklyn Queens championships with 14 nationally ranked speakers.
- A Renowned, all-inclusive, performance-based MAX (Music at Xaverian) Program with 28 performing groups, including Xaverian's Pipe & Drum Corp, that provides ample opportunity for musical exploration.
- An Athletic program which encompasses over 40 teams for boys and girls that develop successful student-athletes; in partnership with Aviator Sports Complex. Recently added athletic teams include dance, step, and flag-football.
- Private bus service for students traveling from Manhattan, Queens, Staten Island, and parts of Brooklyn.

ADDITIONAL APPLICATION INFORMATION

- We offer academic scholarships, music scholarships, and memorial scholarships. There are also grants for sons and daughters of the NYPD/ FDNY/active military.
- Offering approximately \$4.7 Million annually in both academic merit-based scholarships and need-based financial aid.

NEW AT XAVIERIAN

- An Art and Music Wing and newly renovated state of the art performing arts space that allows students to receive instruction in the arts in a dedicated space, complete with the tools necessary to succeed.
- Renovated common areas that include a brand-new modern Cafeteria, Campus Ministry center, student lounges, and rooftop student terrace.
- Updated chemistry, biology, physics, engineering and computer science labs with an additional Biomedical STEM lab that includes an Anatomy table, the most technologically advanced.
- Renovated on-site athletic facility which includes weight rooms, fitness center and new Gymnasium.

Why Choose a Catholic School?

As parents, you want the best for your children. It is because you wish them success in all of life's challenges that Catholic schools are the right choice.

Catholic schools provide an educational program based on religious beliefs and values, enabling your children to grow in their understanding of themselves, their relationship with God and their relationship with others.

Catholic schools promote the education of young people to their full potential; their teachers respect and encourage real learning experiences. Your children acquire knowledge and develop the skills necessary for success in higher educational pursuits and a wide range of careers.

Catholic schools offer a community environment in which your children can discuss and live out the values upon which their education is based. They are encouraged to contribute to society and to assume leadership roles in shaping public attitudes and programs.

In Catholic schools, young people learn to question, to establish confidence in their own good choices in life

and to experience the sense of accomplishment stemming from individual achievement and responsibility.

Take this opportunity to learn about Catholic Schools in Brooklyn and Queens. Whichever school you choose, you can be assured that your child will receive a strong academic education in an environment structured to have a lasting value.

Catholic Schools:

- Build character
- Foster community service
- Encourage involvement
- Develop real-world skills
- Shape leaders
- Reward achievement
- Reinforce values
- Allow for spiritual growth
- Embrace differences
- Raise standards
- Empower each student
- Celebrate school spirit

Catholic schools admit students of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. They do not discriminate on the basis of race, color, national and ethnic origin in administration of their educational policies, admissions policies, scholarship and loan programs and athletic and other school administered programs.

To the extent required by Title IX, they do not discriminate against any applicant, employee or student because of sex.

This brochure was compiled and distributed by the Catholic High School Principals' Association of the Diocese of Brooklyn.
